SABATINI CARDIGAN

BY SANDRA GUTIERREZ

The Sabatini Cardigan is a wonderful addition to a collection that honors the majestic landscapes surrounding iconic volcanoes, paired harmoniously with the Etna Tee and Vesuvius Tee.

Sabatini boasts a top-down construction with a crew neckline and drop-shoulder elegance, ensuring perfectly fitted shoulders that eliminate excess fabric around the underarms. Featuring a delightful combination of textured and airy stitches, this cardigan is tailored for light garments and offers a generously wide, oversized fit. Elevate your creation with optional pockets, hip shaping, and rounded corners at the front, all tastefully finished with an elegant edging and button band. The Sabatini Cardigan beckons you to unleash your creativity with numerous customization options, allowing you to craft a truly one-of-a-kind garment. What sets Sabatini apart is its commitment to size inclusivity, ensuring that the shoulder drops gracefully in the same spot for all makers, irrespective of their size. The meticulous details woven into this cardigan promise a timeless piece that you'll find yourself reaching for time and time again.

YARN OPTIONS

This garment is designed to be made with three different yarn options, while maintaining the same gauge

1. Fingering weight wool (or wool-like) + mohair-silk lace held double: for a luxurious, warm and light garment - perfect for transitional weather and chilly evenings.
2. Sport Weight Yarn: For a breezy summery garment - perfect for spring and summer.
3. DK weight yarn: For a more structured and warmer cardigan - great for winter,

YARDAGE REQUIREMENTS

For a cropped cardigan: 1160 (1255, 1370, 1475, 1600) (1730, 1840, 2000, 2085) m
1270 (1375, 1500, 1615, 1750) (1890, 2010, 2190, 2280) yds

For a hip-length cardigan: 1715 (1865, 2040, 2190, 2380) (2565, 2725, 2945, 3085) m
1875 (2040, 2235, 2395, 2605) (2805, 2980, 3220, 3375) yds

MORE ON YARDAGE

- When making option 1 (fingering + mohair), you will need the same amount of EACH type of yarn.
- If striping, divide the total by the number of colors used.
- Yardage provided includes 5% extra for swatching and margin of error. Amounts will vary if length is adjusted or hip shaping is added.
- Long tapered sleeves use approximately 430 (440, 455, 485, 505) (550, 585, 635, 645) m / 470 (480, 500, 530, 555) (600, 640, 695, 705) yds;
- The edging and pockets use approximately 15% of the total yardage for hip-length and 6% for cropped length.
- Add 145 (160, 175, 185, 205) (220, 235, 245, 260) m / 160 (175, 195, 205, 225) (240, 255, 270, 285) yds for every additional 10 cm / 4 in of body length.
